Dear Parents,

It is time to start setting up the bus schedule for 2011-2012 school year. It is necessary on the schedule to have the mileage for each student from their home to the school they will attend. Therefore, kindly fill out the names of each child in your family who will be in C.P.E.S. , the grade and building they will attend, and the miles from your home to that building. If your child lives in the village and walks, just write "Village" under mileage.

**Please note that if your address has CHANGED or if you have a FIRE NUMBER, it is very important that you give us this information.
